RE: Post Falls School District 273 – River City Middle School – Track Addition
NOTICE TO PROCEED

Gentlemen:

Thank you for your bid on this project. The School District accepted your Bid at their Board Meeting on Monday, March 15, 2021 for a contract amount of \$286,570. This letter will serve as your official Notice to Proceed. The date of commencement for the work will be March 24, 2021, and the Substantial Completion date will be June 7, 2021.

A copy of the contract was signed by Dena Naccarato of the Post Falls School District and was forwarded to CDA Paving for review and a signature. If the contract appears to be in order, we hope to have it signed by Tuesday.

Due within seven (7) days is the Schedule of Values, (a statement of cost for each major item of work included in the bid, arranged into a format matching the specifications as closely as possible so that it can be used in a progress payment schedule guide), a designation of work to be performed with CdA Paving's own forces, and a list of names of subcontractors or other persons or organizations (including those who are to furnish materials or equipment fabricated to a special design) proposed for all portions of the work. CdA Paving will be required to establish to the satisfaction of the Architect and Owner the reliability and responsibility of proposed subcontractors.

Additionally, due within ten (10) days are the Performance Bond and Labor and Materials Payment Bond in the amount of 100% of the bid amount by a surety company authorized to do business in the State of Idaho and accompanied by the Power of attorney, and the latest edition of the Idaho Tax Commission's WH-5 Public Works Contract Report.

We are pleased to be working with you and encourage you to call if you have any questions.

Sincerely,

ARCHITECTS WEST, INC.
